Based in Racine, WI, **VOW** is dedicated to improving the lives of at-risk and homeless veteran households across Wisconsin. Founded in 2013 by community members who saw a need and took action, the organization has grown from a small volunteer group into a powerful resource for veterans. In 2017, **VOW** expanded its services to include a village of 15 tiny homes, a food market, and trauma-informed programming.

VOW meets veterans at their most vulnerable moments with dignity, respect, and support. Their mission is to help homeless and at-risk veteran households return to stability by providing food, clothing, shelter, and essential services—all at no cost to the veterans they serve.
